

PUBLIC NOTICE**PRES-EDT003/2026**Addendum III

ADDENDUM III**Public Notice PRES-EDT003/2026****2nd and 3rd Application Stages****Master's in Sustainable Energies | Master's in Engineering of Sustainable Energies**

Following the accreditation process by A3ES – ACEF/2526/0313102 – and its subsequent registration with DGES – R/A-Ef 844/2011/AI03 on 30th of June of 2026 – the Master's programme in Sustainable Energies has been renamed the Master's in Engineering of Sustainable Energies.

In this context, and given the publication of the registration takes place after the 1st stage of application set in the Public Notice PRES-EDT003/2026, of 29th of May of 2026, but prior to the 2nd and 3rd application stages, the President of the Instituto Superior de Engenharia do Porto, Professor Roque Brandão, has determined that in the 2nd and 3rd application stages shall be considered the new title of the study programme: Master's in Engineering of Sustainable Energies.

ISEP, 15th of July of 2026

Roque Brandão
President
