

APPLICATION FOR ACCESS TO THE MASTER'S PROGRAMMES
ACADEMIC YEAR 2026/2027
VACANCIES BY MASTER'S PROGRAMME/ AREA OF SPECIALISATION
2nd Phase

Master's Programme	Area of Specialisation	Vacancies C1	Vacancies C2
Biomedical Engineering ^{a)}		0	-
Bioresources Engineering ^{a)}		35	-
Sustainable Energy Engineering ^{c)}		28	-
Civil Engineering ¹	Constructions ^{a)}	17	-
	Structures ^{a)}	10	-
	Construction Management ^{a)}	14	-
	Infrastructures ^{a)}	18	-
Electrical and Computer Engineering ¹	Automation and Systems ^{a)}	15	*
	Telecommunications ^{a)}	14	*
	Systems and Industry Planning ^{a)}	19	*
	Autonomous Systems ^{b)}	8	*
Electrical Engineering – Power Systems ^{a)}		1	*
Geotechnical and Geoenvironmental Engineering ^{a)}		17	*
Engineering and Industrial Management ^{a)}		0	-
Informatics Engineering ¹	Data Engineering ^{a)}	0	-
	Software Engineering ^{a)}	0	-
	Cybersecurity and Systems Administration ^{a)}	0	-
	Games, Graphics and Interactive ^{a)}	0	-
	Information and Knowledge Systems ^{a)}	0	-
Mechanical Engineering ¹	Mechanical Constructions ^{a)}	2	*
	Energy ^{a)}	5	*
	Industrial Management ^{a)}	0	*
	Materials and Production Technologies ^{a)}	5	*
Chemical Engineering ^{c)}		80	-
Critical Computing Systems Engineering ^{c)}		0	-
Artificial Intelligence Engineering ^{c)}		0	-
Engineering and Supply Chain Management ^{c)}		9	-
Automotive Engineering ^{c)}		11	-

1. In the second and third application rounds, only places on each Master's programme or area of specialisation that have not been filled in previous rounds may be made available; however, by decision of the President of ISEP, these places may be reallocated to other specialisations;

a) The programme/area of specialisation will not go ahead if the minimum number of 15 enrolled students is not reached;

b) The area of specialisation will not go ahead if the minimum number of 10 enrolled students is not reached;

c) The programme will not go ahead if the minimum number of 20 enrolled students is not reached;

* There is no limit on the number of vacancies; however, applicants must meet the eligibility criteria for this intake.
